.. The Wonder of the Age... THE "OMEGA" ODORLESS

SANITARY GAS STOVE A decided innovation in gas heating. Unique, scientific. Destroys injurious products and organic matter by intense heat ENGLISH .- From opinion of George Rudd

Thompson, F. E. C., F. M. R. S., etc., Public Analyst, Newport, Eng. "In my opinion the maximum of heat is to complain of the fine weather that has | evolved by the combustion of the minimum of Gas, without any smell or undue dryis too warm for some lines of business is, in my opinion, perfect and the result ditto. The percentage of carbonic acid is not sensibly raised in a closed room after ten hours' burning, and the air is not dried to an appreciable extent. I am simply delighted with it, and am quite in a position
